

The British Civil Wars: Write a Rousing Speech

Choose a side and write a speech to deliver to your local militia.

**Gentlemen and all my good county men,
These noble gentlemen and I have called you together to...**
(Think of one of two clear reasons why these people need to listen to what you have to say).

I heartily wish...
(Think of one fear your audience may have and reassure them. Are they afraid of dying? Do they want to stay close to home? What else might they be worrying about?).

I seek your obedience...
(Why should these men fight for your cause? Use memorable phrases to appeal to what they care about most).

Finally...
(What final thought will you leave your audience with?)
